

OLTIS Group Olomouc

Department/division: IT systems/Marketing Department

OLTIS Group is a purely Czech business entity comprising member companies. Since 1997, it has stamped its authority on the information systems market for transport and logistics through sustained success and reliability.

Since its inception, OLTIS Group has been one of the leaders of innovative information systems for transport and logistics. OLTIS Group brand aims to present market development, highlighting specific but broad skills and bringing the ability to provide software solutions and related services to the most demanding technological processes in the field of transport and logistics.

International Rail Forum & Conference (IRFC) is the largest professional railway conference in Central Europe. Since 2008, it has been organized by OLTIS Group in Prague every two or three years. It is an opportunity for exchanging information and experience between companies involved in new innovative solutions concerning railways, together with the introduction of novelties in the implementation of rail transport.
